

Precautions for using BBQ facilities

When using BBQ facilities, please be sure to read and be careful of the following items.

- 1 | Use on windy or rainy days is strictly prohibited.

- 2 | Please finish by 20:00. ※ In order not to disturb the neighborhood, it is recommended to start early.

- 3 | Please handle fire with care. Sparks may be blown by the wind, so please be careful not to take your eyes off them, especially when small children are present.
※Use of fire such as bonfires is strictly prohibited except for BBQ.

- 4 | Please do not bring BBQ made food into the room.

- 5 | Please do not use tableware, glasses, or home appliances for BBQ.
※Please prepare charcoal, food, plates, cups, tongs, chopsticks, a grate, etc. by yourself.
※Stainless steel materials that aren't blown away in the wind are convenient.
You can buy them at "Big Two" or the hundred yen store.

- 6 | Be careful not to burn yourself when extinguishing the fire at the end.
※Please put charcoal in the fire extinguishing jar.

- 7 | Do not burn anything Vinyl, paper, plastic, etc. other than charcoal.

- 8 | Please be sure to separate garbage.
8-1 | Noncombustible trash is hardware such as bottles, cans, and nets.
8-2 | Burnable trash includes food scraps, plastic bottles, and paper.

- 9 | Please clean up after finishing. Be sure to clean the tools used and return them to their original place.
※Please place the fire extinguishing jar under the BBQ fire stand and keep it in the back so that it will not be blown away by the wind.
